

HIGH TIME TO MOVE IN

CIRCA 1886 continues to be one of the most sought after locations for buyers in the Berwick and Clyde North area. The first stage has been built, stage seven is now selling and more than 100 families are already calling Circa home. Built around the historic Circa homestead, the location offers elevation and many homes have views of the surrounding area.

Circa offers a one-hectare central park with play equipment, a sports area and plenty of open space.

The park is complemented by landscaped areas and reserves which are perfect for spending time with family and friends or just relaxing.

The location of Circa means that it is close to the important amenities including local schools, shopping, recreation and transport.

The local Eden Rise Village is a popular shopping spot with cafés and specialty shops as well as Coles and Aldi supermarkets.

Home to a diverse range of residents, the estate provides for different lifestyles and living requirements with a range of lot sizes, house and land packages, and townhouses on offer.

During 2016 Circa will also provide a limited release of
